25 Years of Ocean Discovery Towards Sustainable Future

Universiti Malaysia Terengganu (UMT) is a public university located in Kuala Nerus, Terengganu, Malaysia. Established in 2001, UMT focuses on providing quality education in various fields, with a strong emphasis on marine science, environmental studies, and related disciplines.

UMT Achievement

Ranked among the Top 10% of Universities in Asia — QS Asia University Rankings (QS AUR) 2026.

8 academic subjects listed World University

Vice Chancellor’s Welcome

Welcome to Universiti Malaysia Terengganu (UMT), a university distinguished by its commitment to academic excellence, impactful research, and innovation, with a unique strength in the marine and environmental sciences. At UMT, we are dedicated to nurturing knowledgeable, resilient, and globally minded graduates who are ready to contribute meaningfully to society and the nation’s sustainable development.

Whether you are joining us as a student, researcher, academic, industry partner, or visitor, I warmly welcome you to the UMT community. May your journey with us be enriching, rewarding, and filled with opportunities to learn, grow, and make a positive difference.

Professor Dr. Suriyani Muhamad
Vice Chancellor

Student and Campus Life

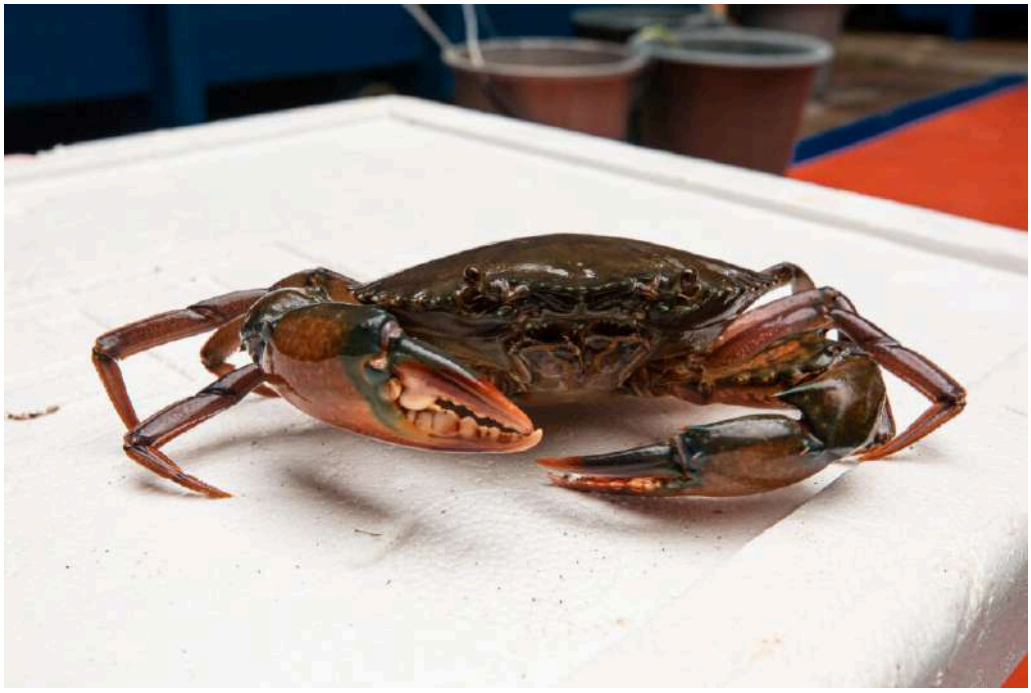

Located on the scenic coastline, Universiti Malaysia Terengganu provides students with the perfect environment to learn, explore and enjoy a balanced campus life. The university supports students with welfare programs and a variety of clubs and activities to enhance university life.
