### BACHELOR OF EARLY CHILDHOOD EDUCATION

The **Bachelor of Early Childhood Education** prepares you for a career in early childhood education, specifically in the formation of students in the preschool and elementary levels. The program provides a strong foundation of principles on early childhood care and education. You will be immersed in actual early childhood schools, centers and institutions that will enable you to experience the application of these principles.

## WHY TAKE UP EARLY CHILDHOOD EDUCATION AT MC?

MC is the first Catholic college in the Philippines to offer Early Childhood Education.

We are accredited by the Commission on Higher Education (CHED) as a Center of Excellence – this means the College of Education demonstrates excellent performance in the areas of instruction, research and publication, extension and linkages and institutional qualifications.

Our program offers a broad spectrum of childhood education courses which provide the necessary knowledge, attitudes, and skills in educating children, thereby enabling you to confidently take the Licensure Examination for Teachers.

Our program highlights a strong understanding of child growth and development, developmentally appropriate and child-centered approaches to teaching and learning, and knowledge of curriculum content areas.

Our students are provided plentiful opportunities not only to develop their qualities as future child specialists, but also to hone their artistic capabilities through art, music, theater and multimedia productions, and other forms that may be considered as the best and most appropriate channels for values education.

Our faculty engage learners to do collaborative work in solving real-life challenges through Project-Based Learning.

We prepare our students to be of service to in and out-of-school youth, underprivileged children and children with additional needs.

Offers more than a year of practical teaching experience in various selected schools.
