JomCheck Malaysia

### Truth Matters: Master the Art of Fact-Checking!

JomCheck Malaysia is the nation's first academic-media-civil society fact-checking alliance, dedicated to combating misinformation and disinformation. This nonprofit, nonpartisan coalition brings together journalists, academics, and civil society members to verify information and disseminate accurate fact-checks to the public.

## Research Group

MENTION UKM establishes research groups to advance knowledge in the rapidly evolving fields of media and communication. These groups foster collaboration among scholars, address societal challenges through innovative research, and contribute to national and global discourse. We aim to develop solutions that enhance the media landscape, support policy making, and prepare future-ready graduates who can thrive in a dynamic, information-driven world.
