[Division/SIG/Affiliate/Committee List](#)

Malaysia Educational Technology Association (META)

Description:

Malaysia Educational Technology Association (META)

META was established with the aim of establishing a platform that enables educators and individuals interested in educational technology to exchange ideas to collaborate in efforts to promote the usage and application of various aspects of educational technology at every level in the educational system, from pre-school to higher education.

Primary Contact: Dr. Mohd Arif Hj. Ismail

Contact Email: mdarifukm@yahoo.com
