Welcome to Shandong Youth University of Political Science(山东青年政治学院)

Introduction:

Shandong Youth University of Political Science is situated in Jinan—the well-known Spring City with a great prosperity, a splendid civilization and a host of historical talents. It is a full-time, regular university of undergraduate education with more than 60 years of history, set up under the approval of the Ministry of Education.

Over the years, the college has adhered to the orientation of the training of application-oriented talents, highlight the characteristics of "youth politics", emphasize on the characteristic of regional, innovation and openness, established on regional economy and oriented towards modern service industry, in order to train managers and professionals talents with young political characteristics. The motto of "Both Ability and Talent, Self-improvement" encourages the teachers and students to work harder to form a good school style of "Vigorous and Realistic."
