

About UiTM

Universiti Teknologi MARA (UiTM) is the largest comprehensive university in Malaysia, providing innovative education with state-of-the-art infrastructure and technology within reach at its 34 campuses, 24 faculties, 9 academic centres and 2 institutes of leadership and development across the country.

UiTM offers over 500 academic programmes at Foundation, Pre-Diploma, Diploma, Bachelor's, Master's, and PhD levels, as well as Professional Programmes. It continues to expand access to higher education, playing a crucial role in nation-building by unleashing potentials and shaping the future.

UiTM has consistently been ranked among the top institutions in various reputable rankings, both locally and globally. Among these accolades are the Times Higher Education (THE), UJ GreenMetric, and the QS World University Rankings. The university has also received recognition for its commitment to the Sustainable Development Goals. UiTM was further honoured with the title 'Employers' Choice of University' by Talentbank and has maintained outstanding performances in the SETARA rating and MyRA score, as recognised by the Ministry of Higher Education. These achievements serve as a testament to UiTM's academic and research excellence, as well as its global employability on the global stage.

With over 800,000 alumni in science, technology, humanities, and entrepreneurship offers opportunities to shape leaders at national, industry, and global levels and positioned to become a globally renowned university by 2025.

UiTM 103rd Convocation Ceremony
