Faculty Overview

The Faculty of Management and Economics (FPE) delivers high-quality education in Malaysia and internationally, specialising in accounting, business, economics, entrepreneurship, finance, leadership, and management. Our programs meet rigorous industry standards from ACCA (the Association of Chartered Certified Accountants), MIA (Malaysian Institute of Accountants), CMI (Chartered Management Institute), CIMA (Chartered Institute of Management Accountants), MFPC (Malaysian Financial Planning Council) and IBFIM (Islamic Banking and Finance Institute Malaysia).

We aim to produce graduates who are skilled, forward-thinking, and values-driven, prepared to serve society with integrity across borders. This is achieved by integrating critical thinking, decision making, and communication skills at all study levels.

Joins us to shape the Leading Future Minds of the nation.
