CAMPUS OVERVIEW

Universiti Kuala Lumpur Business School, formerly known as Universiti Kuala Lumpur International School of Entrepreneurship (UniKL ISE) was established in 2008. The school was established to pursue the university's vision to be the premier entrepreneurial technical university in the region. Its core mission is to train and mould managers and leaders who are capable of pursuing entrepreneurial ventures across industries, within a global context. It complements other institutes which provide technical fields of study by offering degree programs in Business, Islamic Finance, Accounting, Marketing, Entrepreneurship, Tourism and Analytical Economics. The campus is situated at Universiti Kuala Lumpur City Campus, Jalan Sultan Ismail, Kuala Lumpur and its satellite building is located at Jalan Persiaran Gurney, Kuala Lumpur.
