About EdUHK

The Education University of Hong Kong is a publicly funded tertiary institution dedicated to the advancement of learning and teaching, through a diverse offering of academic and research programmes on teacher education and complementary social sciences and humanities disciplines.

We nurture educators and social leaders who are intellectually active, socially caring, and globally aware, to become agents of change in the communities that they serve. We place great emphasis on research capability – our research will contribute to the advancement of knowledge, scholarship and innovation, with sustainable impact on social progress and human betterment.

EdUHK aims to be a leading university in the Asia Pacific region and beyond, with a focus on educational research, development and innovation.
