Reputation and Credentials

Sustainability

In alignment with Malaysia's Agenda 2030 for Sustainable Development, as outlined at the United Nations General Assembly, INTI International University recognizes the importance of advancing Environmental, Social, and Governance (ESG) initiatives within the institution. To this end, INTI International University is committed to leading sustainability efforts, ensuring regulatory compliance, and promoting transparency and accountability in our practices.

Commitment

Education

Research

Research Publications

INTI Research Publications showcase innovative and impactful research by our esteemed faculty members and researchers. Committed to nurturing effective global leaders, our multidisciplinary research aims for transformative impact, contributing meaningfully to global progress while leaving an indelible mark on society.
