

**Agreement on Student Exchange between  
Faculty of Advanced Science and Technology,  
Graduate School of Science and Technology  
and Faculty of Engineering, Kumamoto University**

**and**

**Engineering Faculty,  
Universitas Negeri Malang**

UM Ref. No. 16.6.43/UN32.5/KS/2025

Following the signing of the Agreement on Academic Exchange between Faculty of Advanced Science and Technology, Kumamoto University and Engineering Faculty, Universitas Negeri Malang, Faculty of Advanced Science and Technology, Graduate School of Science and Technology and Faculty of Engineering, Kumamoto University, and Engineering Faculty, Universitas Negeri Malang conclude this Agreement on Student Exchange.

**1. Duration of Stay**

Duration of stay for students of both parties shall not exceed one (1) academic year, and will normally start in September or October for Universitas Negeri Malang and in April or October for Kumamoto University.

**2. Number of Exchange Students**

Each party shall accept up to a maximum of five (5) students in an academic year. It shall be understood that two (2) students for one (1) semester or the equivalent intensive course count as one (1) student for an entire academic year.

**3. Selection of Exchange Students**

The home university shall recommend the most suitable students to the host university based on language ability and academic excellence.

#### 4. Enrollment of Exchange Students

- (a) Students of Kumamoto University shall register as Universitas Negeri Malang exchange students and can attend lectures, seminars, and tutorials. Graduate students can also engage in research projects.
- (b) Students of Universitas Negeri Malang shall register as Kumamoto University exchange students and can attend lectures, seminars, and tutorials. Graduate students can also engage in research projects.
- (c) Exchange students shall be subject to the regulations of the host university.

#### 5. Study Program and Evaluation

Exchange students shall determine their study program at the host university in consultation with academic advisers of both host and home universities. Academic performance shall be evaluated according to the rules of the host university.

#### 6. Academic Record and Accreditation

Exchange students shall submit the academic record obtained at the host university to the home university and it shall be accredited according to the rules of the home university.

#### 7. Tuition

Exchange students shall be exempted from the payment of any entrance examination fees, admission fees and tuition fees of the host university.

#### 8. Accommodation

The host university will make an effort to assist exchange students in finding accommodation at a reasonable cost.

#### 9. Financial Responsibility

Exchange students shall be required to obtain appropriate insurance coverage (including health, accident, and liability insurance) valid in the host country for the duration of their stay. Neither party shall be held liable for any injury, loss, damage, or other costs incurred by the exchange students during their participation in this program. Any emergency expenses, repatriation, or related costs shall be the responsibility of the student unless otherwise agreed in writing in advance.

10. Duration of the Agreement

This Agreement is effective from the later date either party signed this Agreement, and remain effective until the expiration of the Agreement on Academic Exchange.

11. Amendment/Termination

This Agreement may be amended or terminated by mutual consent if proposed by either party by giving at least six (6) months' notice in writing to the other party.

12. Signature and Retention

This Agreement shall be written in English and signed in two (2) copies by both parties, and each party shall retain one (1) copy. It may be translated into other languages for reference purposes.
