RE: Elsevier Final Digital Commons Price Proposal for Universitas Negeri Malang

Following our previous discussion related to your request for Digital Commons, we would like to propose the final price of Digital Commons for your final consideration.

We would like to inform you that the price we offered are the very best price already and unfortunately there is no room for us to give anymore discount to you. We are really sorry on it.

And Also please take a note that the price is in USD and exclude any local taxes. There will be 11% of PPN (VAT) that we will include/reflected in our separate invoice.

And please find below the very best price we offered as requested:

Subscription Services	Fees
