.....

In the spirit of international understanding, **Bachelor Program in Electrical Engineering, Universitas Negeri Malang, Indonesia**, and Department of Computer Science and Information Engineering, National Dong Hwa University, Taiwan, R.O.C., agree to examine the possibility of establishing a framework for educational and research cooperation for our students, faculty, and staff.

In preparation for establishing a formal framework for future activities, the parties hereto agree as follows:

1. Explore possibilities for faculty and staff exchanges for research, lectures, and discussions that mutually benefit both institutions;
2. Explore the feasibility of student exchanges and study programs;
3. Seek support for projects determined to be mutually beneficial to both institutions;
4. The terms of joint activities and arrangements for specific visits, exchanges, and other forms of cooperation will be agreed upon in writing prior to the initiation of any activity. Any commitment of resources, financial or otherwise, in support of these activities must be contained in subsequent specific agreements;
5. While no binding commitments have been made, we sign this Memorandum of Understanding in recognition of our common interests and agree to consult periodically concerning the status of our collaboration;
6. This understanding is done in two identical copies, both in English, by authorized representatives of each institute, and both parties will retain one copy of the memorandum.
