### Students Experience

University life is more than just studying. It is a great opportunity to get involved in student activities and societies.

**Global Education**

UTM is offering five types of mobility programs which allow UTM Students to go abroad and join academic programs in universities, institutions or organizations all over the world.

[LEARN MORE](#)

**Future-Oriented Graduates**

UTM aims to produce multi-talented graduates by improving the quality of delivery of teaching and learning, and implementing innovative curriculum assessments through data analytics.

[LEARN MORE](#)

**Alumni Relations**

Our alumni often serve as powerful ambassadors for UTM brand for years. Alumni Relations team aims to build an engaging alumni community to connect with each other and with the university.
