History

The Faculty of Economic and Business Education (FPEB) was officially established on October 28, 2008 based on UPI Rector's Decree Number 6067 in 2008. Before becoming a separate faculty, FPEB was a department under the Faculty of Social Sciences Education (FPIPS), namely Department of Economic Education. The Department has four education study programs and two non-educational study programs. The educational study programs are the Accounting Education Study Program, Business Management Education Study Program, Office Management Education, and Economic and
