

Your Home Furniture Inspiration

Each of the unique design is the result of the company's innovative technique and magnificent finishing is made possible by the presence of fitting steps

Who We Are

Established in 1984, PT Gatra Mapan is a home furnishing industry leader specializing in knock-down panel furniture, renowned for our ingenious designs and uncompromising quality.

What We Do

Indonesia's Leading Knock-Down Panel Furniture Manufacturer

Using particle board and MDF board as our main materials, we create furniture that enlivens spaces with uncompromising quality and craftsmanship.

Where We Are

Born in Malang, East Java, Indonesia

Our headquarter and production facility are located in Malang, with 7 branch offices spread across Indonesia and 4 main distributors spread across Sumatra.

Why Us

Over 30 Years of Trust & Commitment to Quality

We are trusted by a rich and diverse local and international clientele. Our high level of service, reliability and trustworthiness have put us at the forefront of innovation and creativity in the home furnishing industry.

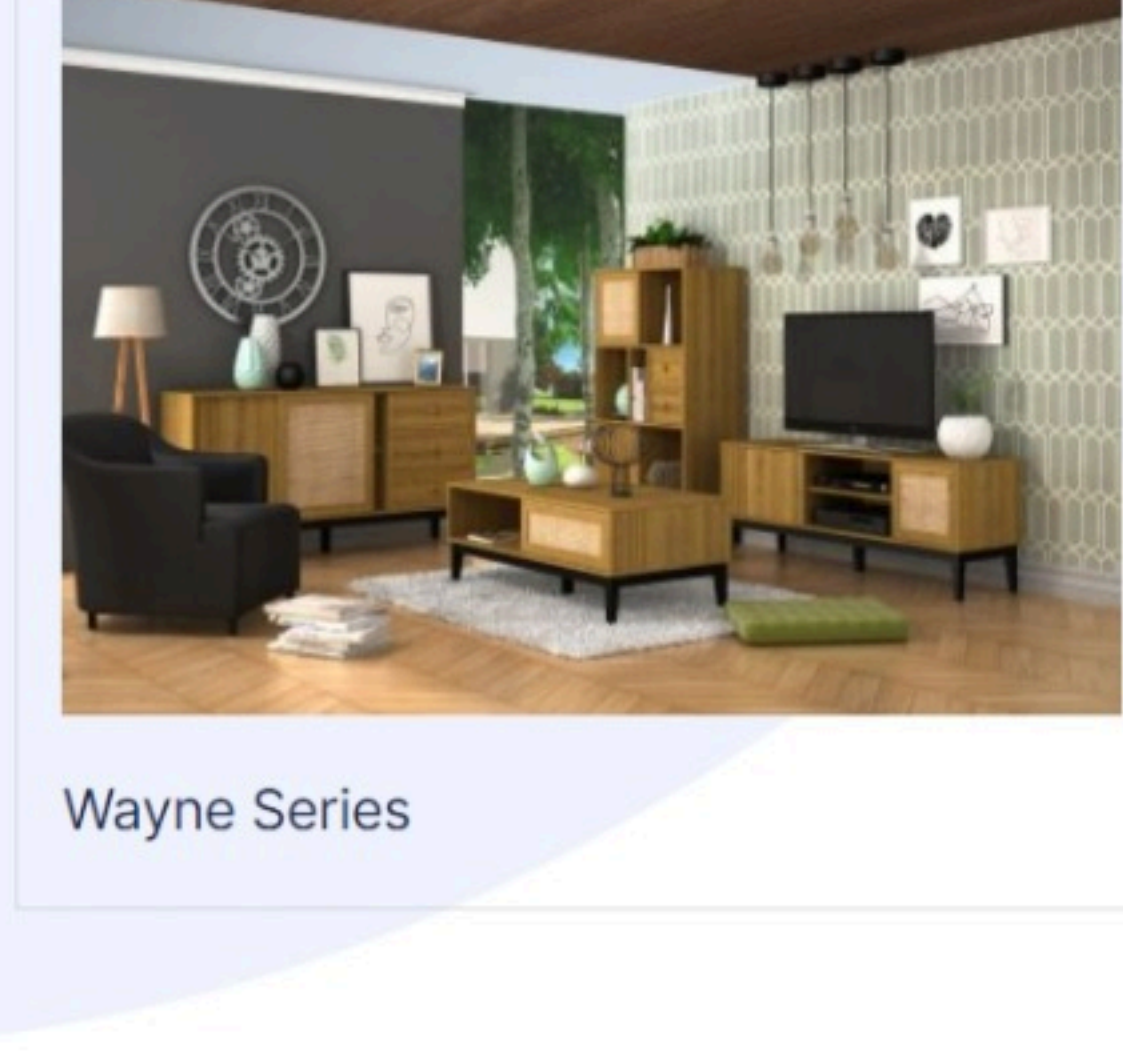

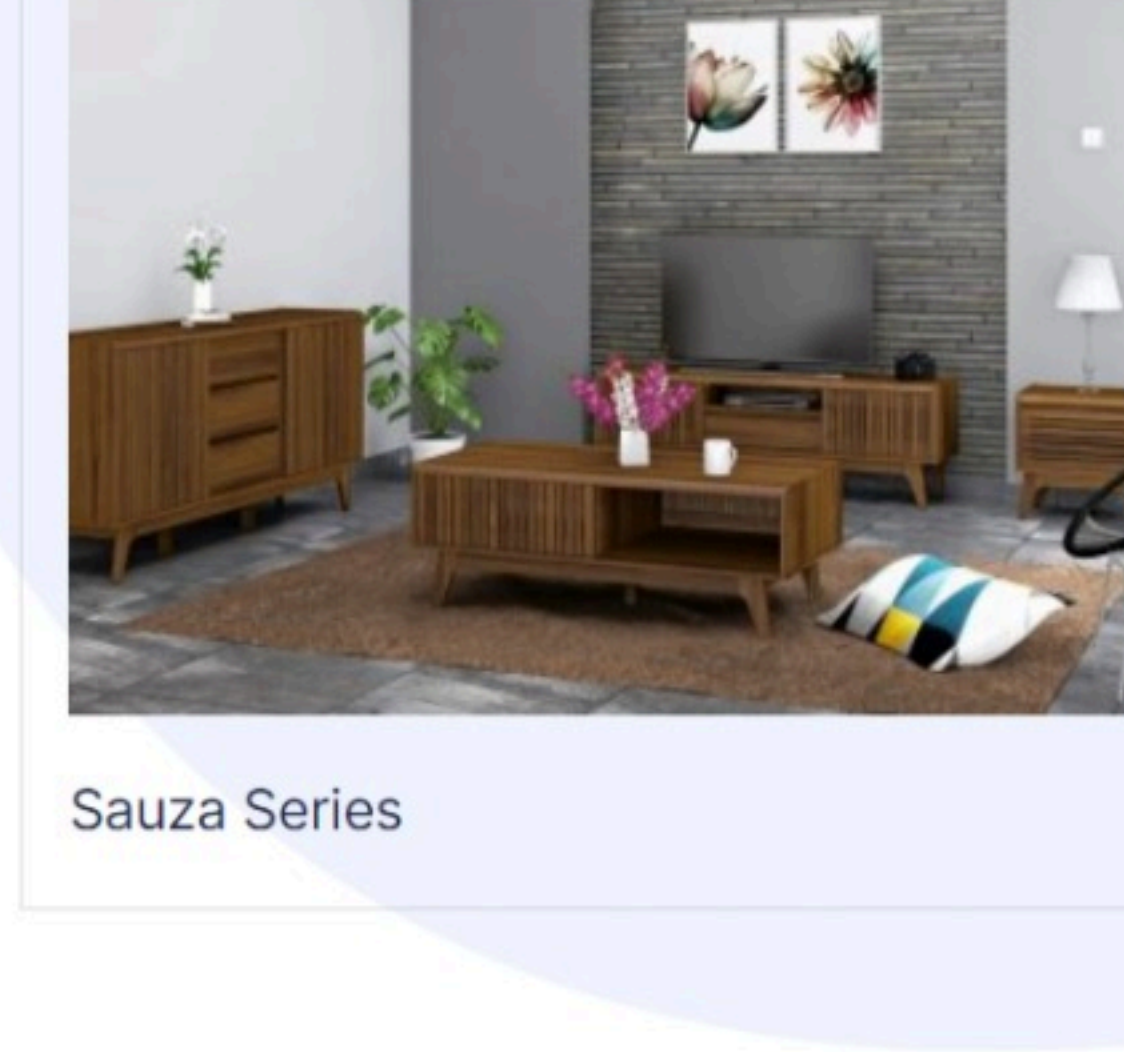

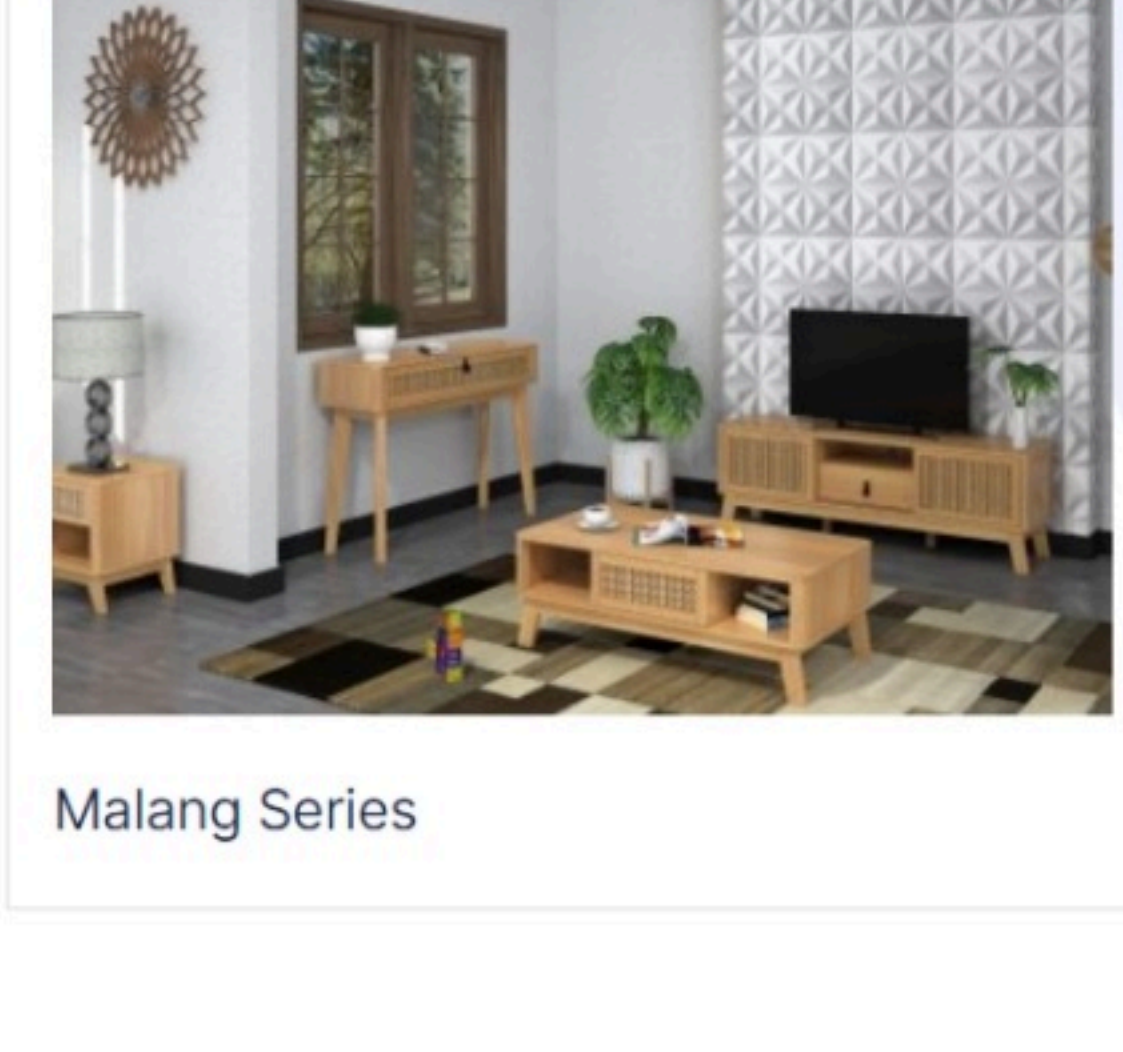

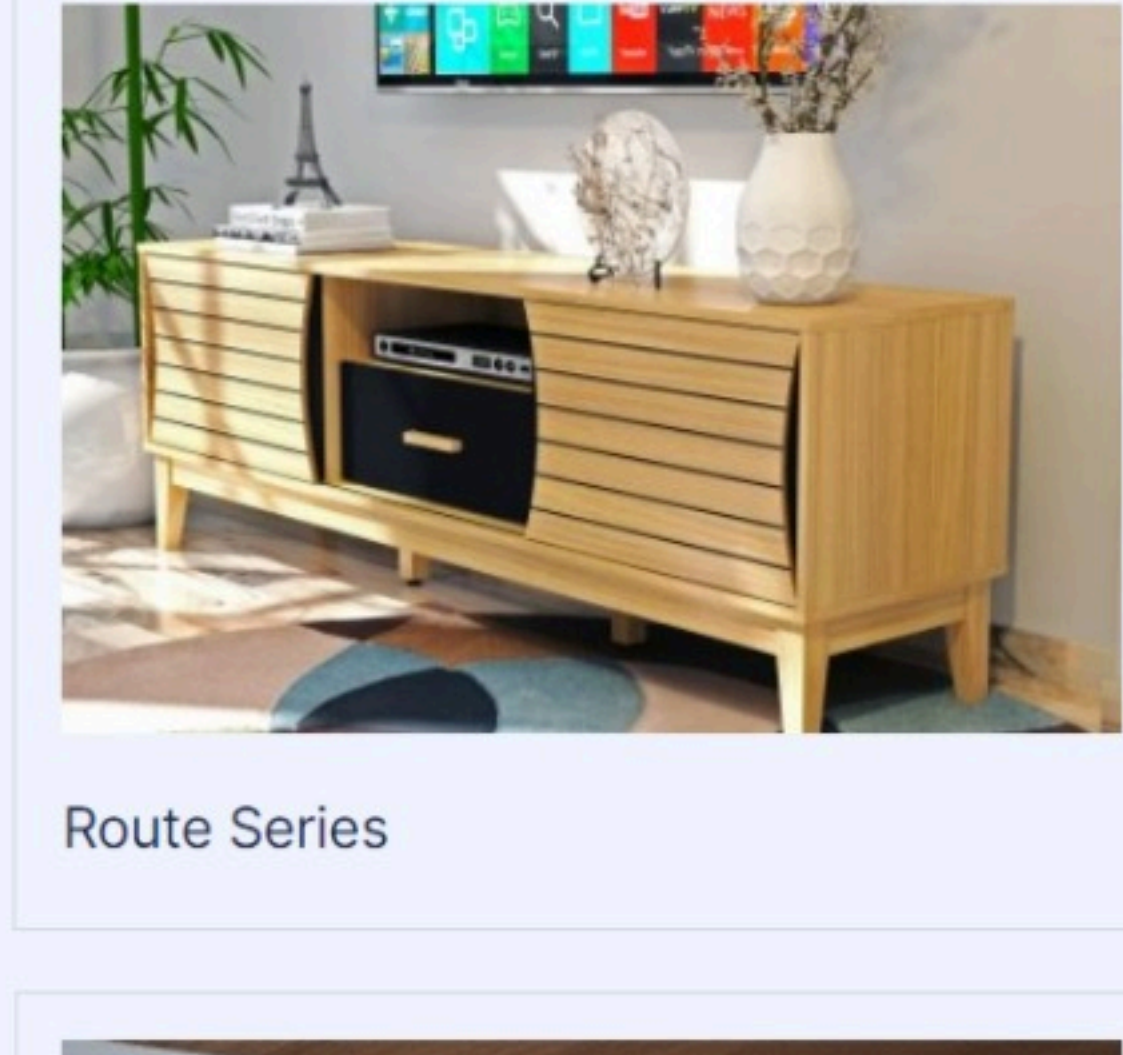

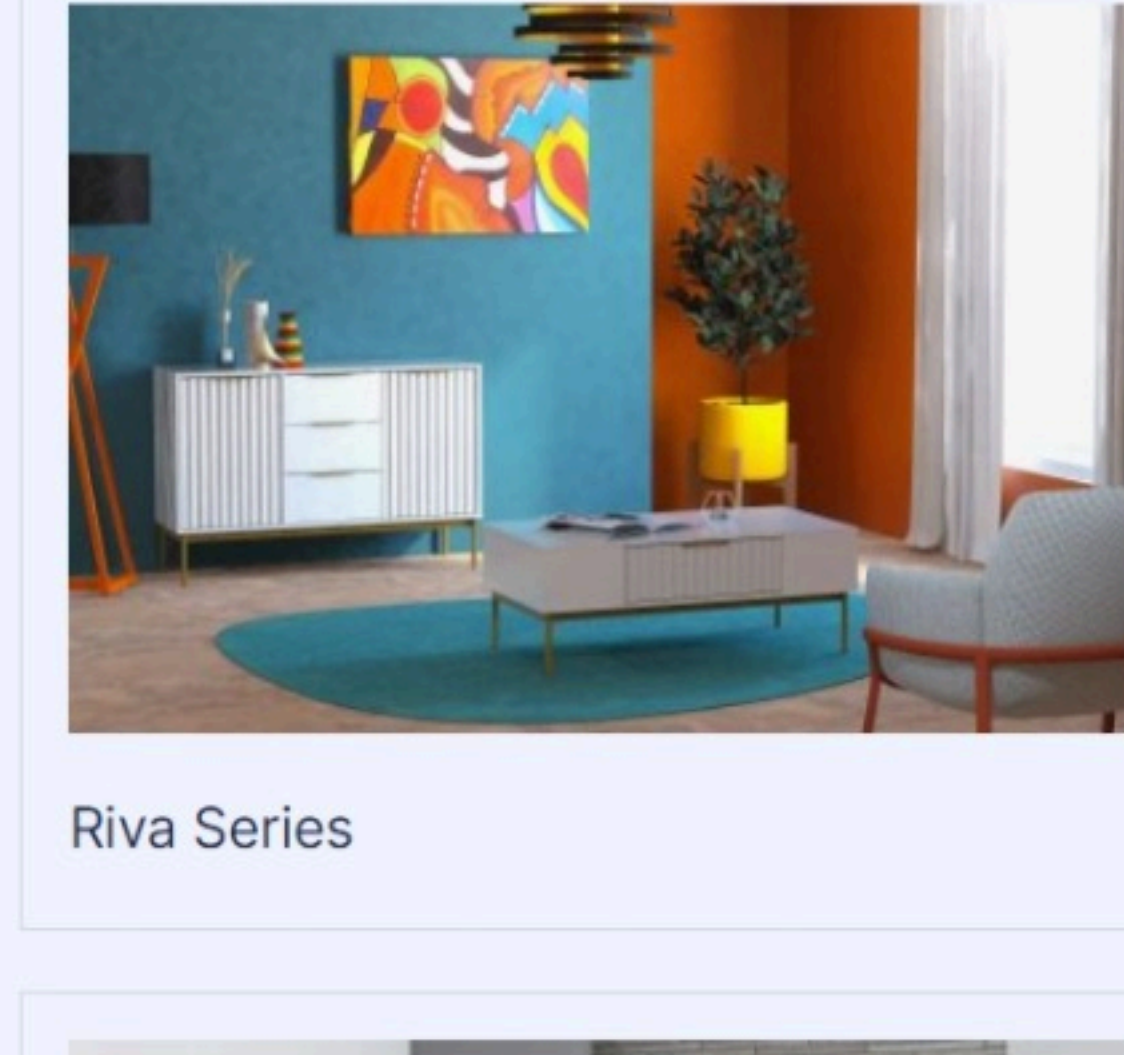

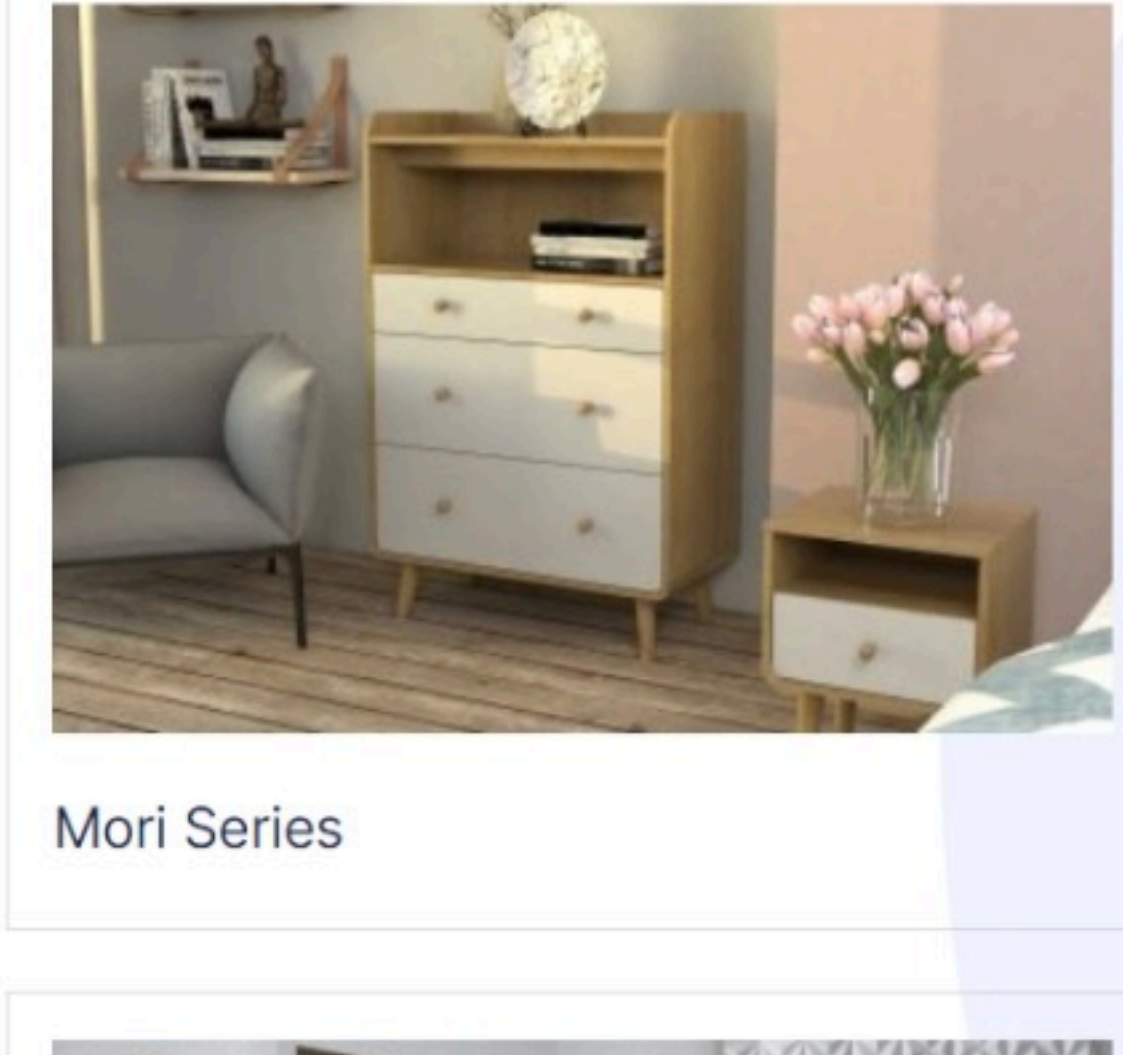

Finest Quality Enabled by Technology

We are known in the home furnishing industry for our ingenious designs and our consistent uncompromising quality products and services. Through decades of perpetual research and exploration of new technologies, we always seek new and improved ways to refine our systems and production processes according to international standards.

Contemporary Modern Living

Modern living demands home furniture pieces that fulfil space efficiency, functionality and convenience while maintaining quality, style and affordability. It has been our mission to create products that enliven and enhance every modern living space they inhabit.
