The Faculty of Mathematics and Natural Sciences (FMIPA) is one of the faculties at Semarang State University (UNNES). The change in the name of this faculty was in line with the change in the name of UNNES which was formerly known as the Semarang State IKIP which was established in 1965 in the city of Semarang. Chronologically, the development of FMIPA can be described as follows.

Furthermore, the establishment of the Semarang Teachers' Training College was strengthened by Presidential Decree no. 271 of 1965 dated 14 September 1965.
