Let's make it happen

Piadora's early experiences in a custody battle ignited her interest in Law. She's now fighting injustice.

[About us](#)

18th in the world

One of the top universities in Australia and highly ranked among the best universities globally.

1st for sustainability in Australia

We're tackling the world's greatest environmental, social and governance challenges.

Our research

Our researchers are tackling the world's greatest problems, from creating a more sustainable world to developing new treatments for chronic diseases.

- Research areas**
Our breadth of expertise across our faculties and schools is supported by deep disciplinary knowledge.
- Research centres**
With more than 150 research centres and networks, we are one of the world's leading research universities.
- Find a researcher**
Our academics are leaders in their fields, publishing thousands of articles and books each year.

Alumni

Our 445,000+ alumni, spread worldwide, make a significant global impact. They volunteer, serve on boards, and support our research vision to tackle global challenges.

Other

[Non-student enquiries](#)
for Media, Alumni, Engagement etc.

We recognise and pay respect to the Elders and communities – past, present, and emerging – of the lands that the University of Sydney's campuses stand on. For thousands of years they have shared and exchanged knowledges across innumerable generations for the benefit of all.
