

**MEMORANDUM OF AGREEMENT
BETWEEN
GUANGXI NORMAL UNIVERSITY,
THE PEOPLE'S REPUBLIC OF CHINA
AND**

STATE UNIVERSITY OF MALANG, THE REPUBLIC OF INDONESIA

3+1 Student Exchange Program

In order to materialize the *MOU for the Fourth Council Meeting of Pusat Bahasa Mandarin of State University of Malang, the Republic of Indonesia* signed on 15 December 2016, between State University of Malang (UM), located at Jalan Semarang Nomor 5, Malang, Jawa Timur, Indonesia, and Guangxi Normal University (GXNU), located at No. 15 Yucai Road, Guilin, Guangxi, P.R. China (hereinafter referred to as "the Parties"), agree to establish 3+1 Student Exchange Program under the following conditions:

ARTICLE 1

PURPOSE

The Agreement aims to establish long-term education cooperation in the field of student exchange between the Parties.

ARTICLE 2

SCOPE

The Parties come to Agreement to establish 3+1 Exchange Program in the following scope:

2.1 Exchange of Students

Exchange students shall remain enrolled in the program and registered at the home university when accepted for the exchange, and shall complete registration procedure and pay the applicable tuition fees to the home university. Exchange students will be exempted from the host university's tuition fee.

2.2 Number of Students

Exchange students will be enrolled in courses at undergraduate level by the host university.

amicably through consultation or negotiation by the Parties. If the consultation or negotiation fail, the Parties can submit application to China International Economic and Trade Arbitration Commission for arbitration.

ARTICLE 4

ENTRY INTO FORCE AND TERMINATION

This Agreement is effective from the signing date and valid for 5 (five) years. If either party agrees it is necessary to renew and renegotiate new terms and conditions based on the needs arising, or to terminate this Agreement, a prior written notice will be required at least six months in advance to each party.

DONE in duplicate in Chinese, English and Indonesian languages, all text being equally authentic. Each of the Parties will keep 1 (one) set of each version.

IN WITNESS WHEREOF, the parties here to have unto set their hands on this Agreement on 11 / 05, 2018.

For Guangxi Normal University
Guilin, The People's Republic of China

Professor Guifa Su
Vice President for International Affairs
Date: May 11, 2018

For State University of Malang
Malang-The Republic of Indonesia

Professor H Budi Eko Soetjipto
Vice Rector for Academic Affairs
Date: May 11, 2018

The number of exchange students from the Parties does not have to be equal each year, but it is expected that both Parties have a balance of incoming and outgoing students.

2.3 Acceptance of Students

Both Parties are responsible for selection and nomination of students for participation in the exchange program.

2.4 General Conditions

Students from the Parties will register and remain as degree students in their home university. Students must have their preliminary course selections approved in advance by their home academic authority in order to obtain transfer of credits toward their degree. Exchange students will be subject to the local laws, rules and regulations of the host university during the period of the exchange.

2.5 Fees and Tuition

Students from the Parties will be exempted from the host university's tuition. Personal accident insurance no less than 600 RMB/year must be purchased by each student after their arrival to the host university. If any accidents happen to the students during their trip to the host university or during their study in the host university, the students should protect their own rights through the insurance they purchased. The Parties shall not bear any responsibilities about any accidents caused to the students but should assist the students and their family in dealing with the accidents and related claims properly. If the students from the Parties do not purchase personal accident insurances and any accidents happen to them, the home university shall bear responsibilities. Other fees of the program will be charged in accordance with the charging standards of international students in the host university, and will be paid by the students when they arrive at the host university.

2.6 Transcripts

Both parties are responsible for providing transcripts to the exchange students.

ARTICLE 3 DISPUTE RESOLUTION

Other issues not set out above shall be subject to discussion on the Parties and shall be set out in supplementary agreement on the basis of ensuring the legitimate rights of the students. Any dispute arising from the interpretation and implementation of this Agreement shall be settled

3+1 Student Exchange Program
Faculty of Letters
State University of Malang

Students of College of Chinese Language and Literature, GXNU have studied basic Indonesian for one semester (36 class hours) during their sophomore year. In order to reinforce their knowledge of Indonesian, State University of Malang will arrange the following courses for the students.

Lecturing in Chinese: more than 36 class hours

Auditing in Chinese classes: more than 12 class hours

III. Courses Description

1. Basic Indonesian (I) (II)

The course focuses on cultivating students' comprehensive language skills, which will be set up for two semesters. The course aims at helping students to improve abilities of reading comprehension by language training and discourse analysis, to understand expression features and ways of Indonesian literary forms, and to enlarge Indonesian words and familiarize Indonesian common sentence patterns. The course contains training skills of Indonesian listening, speaking, reading, writing and translation, and mainly focuses on teaching reading and writing skills. After the course, students obtain the comprehensive abilities of basic reading, speaking and writing.

2. Indonesian Listening (I) (II)

Indonesian Listening is a compulsory course and will be set up for two semesters. Listening skill should be first mastered by Indonesian learners for it has influences on students' speaking skills and other knowledge obtaining. The course aims at helping students to overcome listening obstacles, understand social conversation, understand and grasp the main ideas of listening materials at a medium level of difficulty, and analyze listening materials by comprehending speakers' attitudes, emotions and real intentions, and take notes in Indonesian.

3. Indonesian Speaking (I) (II)

The course aims to improve students' abilities and skills of speaking by practical training, and will be set up for two semesters. After the course, students can express themselves thoroughly and achieve communicative purposes by using communication strategies to circumvent the difficulties in the case of words or sentence structures cannot be remembered, and can adopt different communication skills, such as requesting, asking, advising etc. in different social situations. And students gain passion, confidence and interests in speaking Indonesian actively, and hence speaking Indonesian accurately and fluently at the same time.

4. Indonesian Writing (I) (II)

The course is elective and aims at cultivate students' basic writing skills and methods. It contains outline, summary, essay, and simple practical writing. The course teaches students how to write by using words and sentence structures technically, and requires students to imitate sample writing or to write situational writing (it is a kind of writing that links different contexts together) according to writing hints. After practicing, students master the skills of paragraph writing, writing layouts and passage writing.

5. Introduction of Indonesian Culture (I) (II)

The course is elective and aims at help students understand Indonesia by learning Indonesian

history, cultures, geography, custom, music and dance, food and etc. And learn about the history and cultural connections between China and Indonesia. The course also aims to cultivate students' knowledge and abilities of cross-culture communication between China and Southeast Asian countries. The course combines lecture and practice in order to improve teaching effectiveness and provide sufficient learning and practice space for students.
