

AGREEMENT OF COOPERATION
BETWEEN
THE UNIVERSITY OF KITAKYUSHU, JAPAN
AND
STATE UNIVERSITY OF MALANG, INDONESIA
UNDER THE RESEARCH THEME OF

"TOWARD A LOW CARBON SOCIETY TO ALTER THE WELFARE OF HUMANKIND IN INDONESIA"

The president of the University of Kitakyushu, Japan and the rector of State University of Malang, Indonesia, agree to conduct research collaboration on the theme specified above between the two institutions, with the joint purpose of improving mutual understanding between the two institutions and between Japan and Indonesia, and contributing to the advance of research, education and the environment.

The University of Kitakyushu nominates Prof. Dr. Toru Matsumoto of the Faculty of Environmental Engineering for a research coordinator and State University of Malang, Dr. Siti Sendari of the Faculty of Engineering.

Scope of the Agreement

1. The two institutions shall encourage the following activities in the specified theme of the research:
 - a. Exchange of faculty members, undergraduate and graduate students;
 - b. Collaboration in such research activities as field studies, data collections, data analyses, and organization of joint academic meetings; and
 - c. Exchange of research papers and academic publications.

Implementation of Research Activities

2. Details of the activities listed above and expenses resulting from this agreement shall be negotiated between the two institutions.

Duration of the Agreement

3. This agreement shall be valid for a period of three years from the date signing.

Language

4. This agreement is executed in English in two copies, one for each institute.
