

AGREEMENT ON ACADEMIC EXCHANGE
BETWEEN
FACULTY OF ENGINEERING,
UNIVERSITAS NEGERI MALANG, INDONESIA
AND
FACULTY OF ENVIRONMENTAL ENGINEERING,
THE UNIVERSITY OF KITAKYUSHU, JAPAN

Faculty of Engineering, Universitas Negeri Malang, Indonesia and Faculty of Environmental Engineering, The University of Kitakyushu, Japan, agree to promote academic collaboration exchange between the two institutions with the joint purpose of improving mutual understanding between the two institutions and between Indonesia and Japan, and contributing to the advance of research.

Scope of Exchange Programs

1. The two institutions agree specifically to promote
 - (a) Exchange of faculty, undergraduate and graduate students.
 - (b) Research collaboration in areas of mutual interest.
 - (c) Exchange of research papers and academic publications.

Implementation of the Exchange Programs

2. Details of the activities listed above and expenses resulting from this agreement will be negotiated between the two institutions.

Duration of the Agreement

3. The agreement will be valid for a period of five years from the date of signing. The agreement will be automatically renewed before the expiration time unless either of institution desires otherwise.

Revision and Termination

4. The two institutions must notify each other when they wish to revise or terminate the agreement. A period of one-year notice is required before termination becomes effective.

If any question on any part of the agreement arises, the two institutions must consult each other to settle the issue.
