Dear Dr Evi Eliyanah,

COLLABORATION INTEREST WITH THE UNIVERSITAS NEGERI MALANG (UNM), INDONESIA FOR STUDENT MOBILITY PROGRAMME

As an effort for internationalisation, the University of Malaya has launched its Student Mobility Programme, which is dedicated to undergraduate and postgraduate students who wish to travel overseas and to experience different learning and teaching cultures. This programme provides students with a unique opportunity to better understand both the diversities and similarities of different cultures in order to augment their global proficiency and insight into themselves that could never be learned in a classroom.

Taking into consideration of our already well-established collaboration, the Faculty is very much interested in continuing the cooperation with the Universitas Negeri Malang, where the Faculty looks forward to sending thirteen (15) students to participate in 2-week Mobility Programme and Community Engagement at your esteemed University.

The Faculty is kindly proposed the date on 27 October until 09 November 2019 for the programme commencement. The details of students are provided in the attachment for your kind perusal and certain course of action.

On the reciprocal basis, we heartily welcome the students from the Universitas Negeri Malang to participate in our inbound programme for two-week student exchange programme at the University of Malaya.

The Faculty looks forward to your favourable reply and the Faculty is thankful to your kind cooperation for making this venture a success. Thank you.

Sincerely,

DATUK PROFESSOR DR. DANNY WONG TZE-KEN
